WWW.NPAVIATION.COM

WHO ARE WE :

Neptune Aviation Limited, a sister company of Team Group BD, obtained an OSP License (SL NO 24) and is established in 2025. Team Group BD, founded in 2010, is a freight forwarding company. It has succeeded nationally by understanding local market needs and building strong client relationships. Internationally, it has achieved success by using a global network and offering reliable services that meet international standards. Team Group BD has a strong management team and over 400 trained employees working in their offices in Bangladesh and overseas locations like China, Hong Kong, and Dubai.

Neptune Aviation Limited introduces an outstanding services for global travel support and business aviation. Our skilled employees are ensuring the smooth operations by adhering to ICAO standards. We offer our services such as flight permits, ground support, passengers and cargo handling, refueling, transport, accommodation, airport reception and assistance, visa support, weather forecast assistance and catering services.

Neptune Aviation collaborates with well-known companies to provide reliable and top-quality services that match our clients' needs. We listen carefully to our clients and collaborate with partners to ensure smooth and effective operations. By focusing on communication and teamwork, we meet our clients' needs. With strong connections to officials and experts, supported by Team Group BD's global network, Neptune Aviation has become a leading OSPL service provider.

WHAT WE DO ???

LIAISON & MAINTAIN A GOOD
RELATIONSHIP WITH CAAB

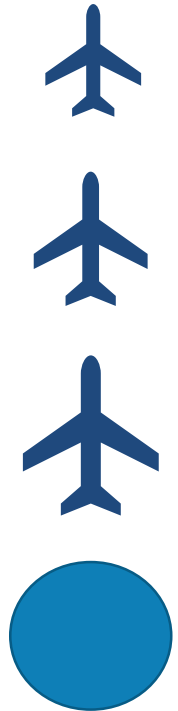

PERMIT SERVICE

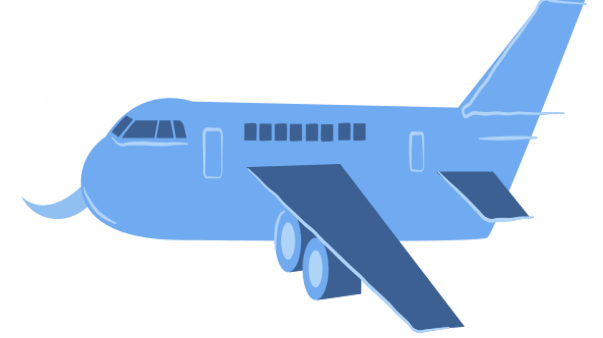

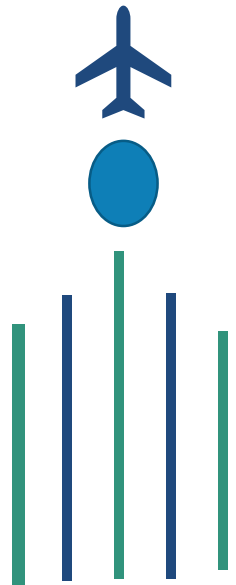

FLIGHT OPERATION

PROMOTING BUSINESS

OUR VISION

To revolutionize the aviation industry by becoming the foremost provider of innovative, safe, and sustainable flight operation services globally, we strive to set new standards in customer satisfaction and operational excellence, ensuring smooth and efficient air travel for everyone.

OUR MISSION

Our mission is to deliver prompt, high-quality flight operation support at competitive prices, ensuring aircraft safety and adherence to international standards. With skilled personnel, we create customer-focused services and promote innovation in aviation services.

PERMIT SERVICES

-  Overflying Clearance
-  Non-schedule Cargo Flight
-  Non-schedule Passenger Flight
-  Business Flight Clearances-landing
-  Clearance for technical landing.
-  Emergency Clearances of Air Ambulance

Emergency Clearances For Air Ambulance

We provide special services for air ambulances to get emergency clearances quickly. We coordinate with doctors, nurses, and hospitals to handle urgent medical flights efficiently. We also organize vehicles to safely transport patients to the air ambulance. Our main goal is to get fast approvals because medical emergencies are very important. We make sure everything is ready, even if requests come up suddenly. We work with authorities to speed up the process so air ambulances can fly without delay. Our quick actions and teamwork help get medical help to people who need it fast and safely.

SERVICES

GROUND HANDLING

Neptune Aviation Limited helps ground handling by using a skilled team to ensure smooth operations. We focus on safety and reliability in all our services such as :

- Baggage Handling
- Cargo Handling
- Aircraft Marshaling
- Lavatory Services
- Water Service
- De-icing
- Pushback Operations
- Passenger Boarding and Disembarking Assistance

SERVICES

REFUELING

Neptune Aviation ensures an easy and reliable refueling process by partnering with the reputable Padma Oil Ltd. We manage every aspect of the refueling operations, guaranteeing safety, efficiency, and timely fuel supply to meet all operational needs.

AIRPORT RECEPTION AND ASSISTANCE

We provide premium services to help executives and VIPs smoothly manage airport formalities during arrival, departure or transit. Our representative will meet you at your aircraft and promptly guide you through immigration and customs. We can also arrange transportation or VIP lounge access upon request.

SERVICES

VISA SUPPORT

Our travel specialists handle all visa paperwork and work with local embassies for you. We offer 24-hour support to meet all passenger and crew visa needs, ensuring a smooth trip. We arrange customs and immigration clearance, general declaration and precisely plan airport pickup, transport, and accommodation at the destination

TRANSPORTATION

We offer customized transport, from car rentals to chauffeured luxury vehicles, for personal or corporate clients. Neptune Aviation provides airport transport for flight crew and, upon request, can arrange transfers between the airport and hotel.

SERVICES

CATERING SERVICES

Enjoy excellent cuisine wherever you travel. Whether you want light snacks or a full meal, we provide delicious international in-flight catering. We partner with Halal-certified suppliers and offer options to meet all religious and dietary needs.

ACCOMODATION SERVICES FOR VIP AND CREW

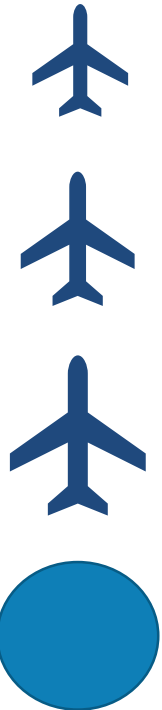

Our Executive Travel team works with renowned and highly facalized hotels to provide luxury stays for VIPs and crew at great prices. Enjoy special services, customized room choices, and personal concierge and driver service.

SERVICES

WEATHER FORECAST ASSISTANCE

Neptune Aviation helps clients quickly by meeting their specific needs. We focus on providing fast and efficient service to ensure customer satisfaction.
